THE 235TH UNITED STATES ARMY BIRTHDAY

1775-2010

235^{years}
strong

Two hundred and thirty-five years ago, the United States Army was established to defend our Nation. From the Revolutionary War to the current operations taking place around the world, our Soldiers remain Army Strong with a deep commitment to our core values and beliefs. The 235th birthday commemorates America's Army - Soldiers, Families and Civilians - who are achieving a level of excellence that is truly Army Strong. Being Army Strong goes beyond physical endurance and mental preparedness. It encompasses an indomitable spirit, and high ethical and moral values. These are not only desirable traits in a person, but in a Nation that wishes to live up to the ideals and vision of its founders. We are "America's Army: The Strength of the Nation."

It's a Celebration!

U.S. ARMY

ARMY FAMILY COVENANT: KEEPING THE PROMISE

Installation Management Campaign Plan

For nearly nine years, Soldiers, Families and civilians have supported U.S. military operations in Iraq and Afghanistan; The resulting hardship is evident. "The Army will not break because of its Soldiers, but the wear and tear on Families is almost unbearable," said Lt. Gen Rick Lynch, commander of Installation Management Command (IMCOM).

Lynch recently unveiled his IMCOM Campaign Plan (IMCP) that will guide Army installations in supporting Soldiers and Families more effectively. The challenge is to determine, "How can we do a better job of taking care of Soldiers and Families?" The IMCP will be executed along six lines of effort: Soldier, Family and Civilian Readiness; Soldier, Family and Civilian Well-Being; Leader and Workforce Development; Installation Readiness; Safety; and Energy Efficiency and Security. The logo illustrates these focus areas and their relationship: We are here to support our mission (stars and stripes); our Family (mother, father and child); our environment and sustainability (the tree); and our facilities (the buildings) in the best way possible.

The logo shows that our support in all areas must continue to be balanced. The IMCP provides us with a direction to continue keeping the promise of the Army Family Covenant!

New Logo

New Family and MWR Logo

On April 24, the Family and Morale, Welfare and Recreation Command unveiled a new logo that was updated to better connect with Family and MWR customers. You're probably thinking that the new logo looks the same as the old logo! While the logo still uses the familiar blue global format, the tagline is changed to highlight our customers. Gone is the statement "For All of Your Life" in favor of "Soldiers, Families, Retirees, Civilians." Our customers are our top priority (they're the reason why we have jobs!) and now they are specifically included in our logo.
